

ATHARV BHORKAR

Frontend Developer | React.js | UI/UX Enthusiast

Nagpur, Maharashtra | 9604224586 | atharvbhorkar19@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Results-driven Frontend Developer with hands-on experience building responsive, user-friendly web applications using HTML5, CSS3, JavaScript, React.js, and Tailwind CSS. Currently contributing to live production projects at Athenura as a Frontend Developer. Certified UI/UX Designer with a strong eye for design and usability. Promoted to Core Team Member for demonstrated ownership and cross-functional collaboration.

WORK EXPERIENCE

Frontend Developer | Athenura

Feb 2026 – Oct 2026 (8 Months) | Noida, MP

- Developing and maintaining live production web applications using React.js, Tailwind CSS, and JavaScript.
- Collaborating with design and backend teams to implement responsive UI components and improve user experience.
- Promoted to Core Team Member, participating in key product decisions and strategic planning meetings.
- Hosting internal team meetings and contributing to project roadmap discussions and sprint planning.

PROJECTS

Internship Portal — HTML, CSS, JavaScript

- Designed and developed a full-featured internship listing platform enabling students to browse and apply for internships.
- Ensured mobile-responsive design and cross-browser compatibility for accessibility across all devices.

Task Management System — React.js, JavaScript, Framer Motion, Tailwind CSS, CSS3

- Developed a task management web application with features for creating, assigning, tracking, and completing tasks.
- Implemented dynamic state management using React hooks for real-time UI updates and smooth user interactions.

Kaumudi Sanskrit Academy Website — React.js, Framer Motions, Tailwind CSS, JavaScript

- Built an institutional website for Kaumudi Sanskrit Academy featuring course listings, faculty profiles, and contact forms.
- Built reusable React components with responsive layouts using Tailwind CSS for seamless cross-device experience.
